Be sure your new home has that important modern convenience—electric light. There are many such and they are in great demand by those who know how to enjoy them. The modern electric light is so much better than any other that no one need hesitate about the cost. The General Electric Company has perfected its MAZDA lamp which gives twice as much light as ordinary electric lamps using an equal amount of electricity.

### We Have G.E. MAZDA Lamps

For all those who live in wired houses we offer an opportunity of getting the benefit of the great light giving quality of these lamps. For those who own unwired houses on our distributing lines we will give advice of value in wiring houses for electric light.

## WANTS MEETING

### CALGARY ACTIVE CANDIDATE FOR THE TYPO CONVENTION

Union in That City is Putting in High Bid for 1914 Meet of International Typographical Union—Funds to Finance a Campaign Being Raised by Members.

Calgary, Alta., March 3.—(Special) —Calgary is an active candidate for the 1914 convention of the International Typographical Union and if brains, industry and intelligent publicity can secure it, the prospects of this city are exceedingly bright. Not a stone will be left unturned by the local branch of the union and the publicity committee of the Industrial Bureau to secure the big meeting and the campaign will be waged vigorously until the 1913 convention opens at Nashville, Tenn., Aug. 11.

Literature boldly announcing that Calgary wants the convention will be spread broadcast among the typos of the country as a preface to the formal invitation to meet here which will be presented to the 1913 meeting. Delegates will be asked in the meantime to vote for Calgary, and if the wisdom of the choice is doubted, logical arguments will be employed to obtain the doubters support.

Funds to finance the campaign will be raised by the local branch of the union and the publicity committee of the Industrial Bureau. Besides the regular delegates representing Calgary, a special "booster" committee, accompanied by a band, perhaps, will go to Nashville in August to plead Calgary's cause.

Should the convention be obtained for Calgary the delegates will be given a royal welcome to the great Canadian west by the citizens of this city and province. Ample accommodations will be provided for housing both the delegates and the convention, and an interesting program of entertainment including a trip to the world famed Canadian National park at Banff, will be arranged.
